500 DAYS OF SUMMER

Release: September 17, 2009

Cast: Zooey Deschanel, Joseph Gordon-Levitt
Directed by: Marc Webb
Produced by: Mason Novick, Jessica Tuchinsky, Mark Waters, Steven J. Wolfe
Genre: Romantic Comedy

This is a story of boy meets girl, begins the wry, probing narrator of **(500) DAYS OF SUMMER**, and with that the film takes off at breakneck speed into a funny, true-to-life and unique dissection of the unruly and unpredictable year-and-a-half of one young man's no-holds-barred love affair.

Tom, the boy, still believes, even in this cynical modern world, in the notion of a transforming, cosmically destined, lightning-strikes-once kind of love. Summer, the girl, doesn't. Not at all. But that doesn't stop Tom from going after her, again and again, like a modern Don Quixote, with all his might and courage. Suddenly, Tom is in love not just with a lovely, witty, intelligent woman – *not that he minds any of that* -- but with the very *idea* of Summer, the very idea of a love that still has the power to shock the heart and stop the world.

(500) DAYS OF SUMMER had its world premiere at the 2009 Sundance Film Festival. Directed by Marc Webb and written by Scott Neustadter and Michael Weber, (500) DAYS OF SUMMER stars Joseph Gordon-Levitt and Zooey Deschanel. The film was produced by Mason Novick, Jessica Tuchinsky, Mark Waters and Steven Wolfe.
